

Tuition Schedule

Annual tuition is \$9,700. Ten-monthly and quarterly payment plans are available.

Families with multiple students attending at the same time will receive a 5% discount for two children and a 10% discount for 3 or more children. Children of TriQuest staff members will receive a 10% discount for enrolled students.

The first monthly payment or quarterly payment is payable at the time your student is enrolled and due no later than 1 month before the start of school. For students who enroll after the start of the academic year, the first payment is due before the student attends class. The due date for payments under the monthly or quarterly plan is the 2nd of the given month.

Automatic payments may be set up through the TriQuest student information system (Gradelink).
