WELCOME

Dear Parent,

We are honored that you have enrolled your scholar in TriQuest Christian Academy.

This handbook provides important information on TriQuest's policies and procedures that can also be viewed online at <https://triquest.org/parents/>.

TriQuest is a Christ-centered organization. For us, that means we believe that Jesus is the foundation and source of everything meaningful in this life. It also implies our commitment to see hearts, and not just behavior, changed to become more like Christ.

Isaiah 61:3b: "... They will be called oaks of righteousness, a planting of the Lord for the display of His splendor."

This hope applies not only to students, but to every member of our learning community – including board members, administrators, and staff. We pray that in time all of us - you, your child, and each of us - will grow stronger in Christ because of our partnership.

Our commitment to you is that we will strive to fully live by God's Word in our actions and activities. TriQuest seeks to value each person for who they are and not just what they produce. Our staff is committed to guiding students to live in love, truth, and grace while pursuing academic excellence.

We recognized that some families and students may not be in relationship with Christ. However, please be aware that all enrolled students (including those who may not be Christians) are required to comply with TriQuest's standards of conduct regardless of their religious beliefs. Similarly, all students are expected to be present and engaged in a respectful manner at all scheduled activities. Please do not hesitate to get in touch if you would like to discuss our approach to sharing the gospel.

We look forward to growing together with you and your child in the love, wisdom, and knowledge of God.

SCHOOL INFORMATION

Background

TriQuest Christian Academy (TriQuest) was established in 2022 to offer an exceptional, Christ-centered learning experience to students from kindergarten to fifth grade. The first class started in fall 2023. Third and fourth grades were added for 2024-2025, and 5th grade will join the roster in 2026-2027.

Vision

To be a school of academic excellence anchored in God where students are ignited with passion to discover, grow, and serve.

Philosophy

TriQuest policies and decisions are subject to the ministry's statement of faith (Appendix A) The primary purpose of TriQuest is to encourage school-age children to live for Christ. **Enrollment in TriQuest may be revoked at any time at the sole discretion of the school's administration.**

TriQuest employees and volunteers are operating in a ministerial capacity and are performing ministerial functions to support this vision.

Church Partnership

TriQuest Christian Academy operates on the grounds of Cumberland Community Church in Smyrna Georgia. TriQuest and Cumberland share a passion to lead youth to deeper knowledge of Christ in the context of an exceptional educational experience. TriQuest founders Leon and Verway Scott have been active members of Cumberland since 2016.

2. Establishing and monitoring policy compliance
3. Selecting the principal and assessing performance
4. Ensuring effective organizational planning and implementation
5. Ensuring integrity and accountability
6. Monitoring and strengthening programs and services

To speak with a board member, please contact an administrator.

Administrator

The administrator has the primary decision-making authority. His or her decisions are final in all matters pertaining to the day-to-day operation of the school except in matters where the school board must act.

Admissions Process/Procedures

Steps in the Admissions Process:

- (Optional) Sign up for an Information Session at <https://triquet.org/info-session/>
- Review school information at <https://triquet.org>
- Complete enrollment application (<https://secure.gradelink.com/3339/enrollment>)
- Apply for tuition assistance (if applicable)
- Receive acceptance notification from TriQuest
- Meet with administrator and sign enrollment agreement
- Pay 1st installment

Admissions

TriQuest considers all relevant factors to determine admissions eligibility, including but not limited to, academic record, evaluations, disability diagnoses, behavior record, and age. Admissions decisions are made on a case-by-case basis, including inquiries about children with special needs. By enrolling a child with special needs, the parent acknowledges that TriQuest may not have the educational and/or medical staff members specifically trained in the area of a student's disability.

Vaccinations

Georgia law requires children attending a school or a childcare facility to be protected from certain vaccine-preventable diseases. Parents will need to provide Georgia Immunization Certificate (Form 3231) to the school to show their child has been vaccinated against certain preventable diseases. Refer to <https://dph.georgia.gov/immunizations> for more information.

Vaccine Exemptions

In accordance with Georgia law, TriQuest allows for two types of exemptions from the immunization requirements: medical and religious. Each child must have one of two items on file—either a valid Georgia Immunization Certificate (Form 3231) or a signed, notarized form DPH 2208.

- A medical exemption releases a child from a vaccine requirement on medical grounds. The exemption must be marked on the Georgia Immunization Certificate (Form 3231). A letter from a physician, Advanced Practice Registered Nurse (APRN) or physician assistant (PA) attached to the certificate will not be accepted as a medical exemption. It must be marked on the certificate.
- A religious exemption releases a child from a vaccine requirement on religious grounds. For a child to be exempt from immunizations on religious grounds, the parent or guardian must furnish the school/childcare facility with a notarized Affidavit of Religious Objection to Immunization (DPH Form 2208).

TriQuest Parents Association (TPA)

Parents are a critical part of our learning community, and we place great value on the feedback provided to our team. TPA meetings are scheduled from time to time during the year to obtain feedback and provide updates on the school's progress. Parents are

automatically considered members of the TPA when their student has been accepted for enrollment.

Conflict Resolution

TriQuest seeks to honor God in all activities, including in the way we resolve disagreements that may arise between TriQuest and enrolling families and students. We want to respond to disputes in a fair manner and in alignment with the principles of Matthew 5:23-25, 18:15-17, and 1 Corinthians 6:1-7. Our desire is that all sides are impartially heard and considered while avoiding severe financial strain. We also recognize that litigation can be time-consuming. Therefore, we will work diligently to resolve disagreements efficiently and satisfactorily without the need for further intervention. However, for situations where agreement cannot be reached, we have adopted the following arbitration policy.

If there are any disputes or controversies that arise between TriQuest and the families of enrolled students, and such disputes cannot be resolved between the two parties, both TriQuest and the families of enrolled students hereby waive their right to litigate these issues in court and instead elect to have these disputes resolved through arbitration.

This means that TriQuest is prohibited from making demands, threatening to sue, or litigating any matter whatsoever relating to or resulting from the student's enrollment at school. Likewise, as a condition of enrollment, parents and students are prohibited from

making demands, threatening to sue, or litigating any matter whatsoever relating to or resulting from the student's enrollment at the school.

Making demands, threatening to sue, or litigating a matter violates Biblical teaching and practice and will constitute sufficient grounds for immediate suspension or expulsion. TriQuest, parents, and students are required to resolve all potential claims, disputes, or causes of action through binding Christian arbitration using the procedures outlined in the school's arbitration procedures. Binding arbitration shall be the sole remedy for any and all controversies or claims arising out of the student's enrollment relationship or the enrollment agreement which cannot otherwise be resolved. Upon enrollment, parents and students waive any rights to file a lawsuit against the school or its agents in any civil court for such disputes, except to enforce a legally binding arbitration decision.

This arbitration provision is fixed and not subject to change regardless of any revisions to school documents, including incorporation documents.

Our Request for Families

1. Pray for TriQuest to honor God by serving our families with wisdom and love.
2. Become familiar with the information in this handbook and share ideas on how to improve it.
3. Encourage and work with your child to complete homework. Inform the classroom teacher about tasks that take significant time or produce a high level of frustration.
4. Cooperate with the school on matters regarding learning and discipline.
5. Speak to a staff member about any concerns to provide TriQuest an opportunity to resolve them.

ENROLLMENT

Non-Discrimination Policy

TriQuest Christian Academy ("TCA") does not discriminate on the basis of race, color, national origin, and ethnic origin in the administration of its educational policies, admission policies, scholarship and loan programs, athletic and other school-administered programs, or any other privileges or activities generally accorded or made available to TCA students. However, as a religious institution, TCA reserves the right to deny admission or to terminate the enrollment of persons whose lifestyle, words, actions, or otherwise do not align with the TCA statement of faith, code of conduct, or other policies.

Neither enrolled students nor their families are required to be practicing Christians. However, by accepting enrollment to TriQuest, families agree that their student will abide by the TriQuest policies and procedures and participate respectfully in all scheduled activities, some of which will be Christian in nature.

Gender Change and/or Sexual Realignment

We believe that a person's gender and sexual identity is established at birth by God. Therefore, all students will be addressed and treated with the gender and sexual assignment they had at birth.

Enrollment

Enrollment for new students opens March 1st of each year. Parents can see and begin the enrollment process by visiting <https://triquest.org/admissions/>. When you are ready to enroll your child, select "[Apply Now](#)". From there you will be able to set up an account and complete the enrollment application.

Re-Enrollment

The re-enrollment window for returning students will open before the general enrollment window. The re-enrollment application for returning students can be completed online through Gradelink. Under normal circumstances, students will be granted re-enrollment upon the timely submission of the re-enrollment application and payment of outstanding fees. However, other factors such as discipline record and attendance may be considered in granting re-enrollment. Re-enrollment applications are approved at the school's sole discretion. You can start the re-enrollment process by visiting <https://secure.gradelink.com/3339/enrollment>. Enter the school ID and your Gradelink username and password to log into your parent portal.

Tuition Payments

Tuition statements can be accessed through your Gradelink account. Monthly and quarterly tuition payment plans are available. Payments are due on the 1st of the month. The first tuition payment must be received before the student attends class. A \$50 fee will be assessed to payments that are not paid by the 5th of the month. Students will not be re-enrolled if there is an outstanding balance from the previous academic year.

Tuition Assistance

At times, TriQuest may offer scholarships. When available, scholarships will be granted on a first-come, first-served basis. Contact the school (info@triquest.org or 770.954.8128) for information on available scholarships and the process for applying. Families must re-apply for assistance every year.

Delinquent Accounts and Penalties

1. If a student's account is 20 days overdue, the parents or guardians must meet with an administrator to resolve the delinquency.
2. If the student's account is 30 days overdue, he or she will be suspended from further attendance at TriQuest until the account is brought up to date. Furthermore, the student(s) will not be allowed to return to School until the delinquent account has been satisfied.
3. If a check is returned unpaid, a \$50 penalty will be added to the account balance. Tuition will continue to accrue throughout a student's suspension while the student remains enrolled.
4. If an account becomes sixty (60) days overdue, the account may be turned over to a collection agency and reported to credit bureaus. Any fees, incurred for the collection on delinquent accounts, including attorney fees, shall be covered by the financially responsible parent/guardian.
5. Returning families must be current in all financial accounts before students will be confirmed for re-enrollment.

Withdrawal From School

A student may be withdrawn for any reason. Likewise, TriQuest can ask a student to withdraw for any reason. TriQuest requires 1-month advance notice of withdrawal, or the student will be billed for the days equating to a 1-month notice. Notice is deemed given when a completed withdrawal form is submitted to the office.

All charges must be paid in full, and books or other items borrowed from the school must be returned or parents will be billed for missing items. For withdrawals, tuition will be prorated by dividing the number of days the student was enrolled (including the one-month notice) by the total number of school days in the year. Refunds apply only to tuition already paid and not to other expenses paid by the parent.

Failure to meet the terms of the financial agreement may result in records and transcripts being withheld. No records will be released or transferred while there is an outstanding balance on the student's account.

Attendance/Tardies

Students are expected to be in school and in their classes on time. TriQuest attendance policies are derived from the Georgia State Code 20-2-690.1, which requires that TriQuest students

receive a specified number of instructional hours each year. The typical school day starts at 7:40 a.m. and students may enter their classrooms as early as 7:15.

Late Arrivals

Any student arriving at school after 7:40 a.m. is counted as tardy. Students arriving after 7:40 a.m. are to report to the Office, sign in, and receive a tardy slip before they will be allowed to enter class. If a legitimate reason exists for the tardy, a hand-written excuse must be submitted to the teacher for approval within 24 hours. To be considered “in attendance” for a school day, a student must be present for at least one-half of the school day, excluding the lunch period. Students leaving school before meeting that requirement will be considered absent for the day. In the use of attendance records for school activities (attendance awards, for example), 3 unexcused tardies of greater than 1 hour each will be treated as 1 absence.

Early Departures

Early departures are defined as leaving prior to the scheduled dismissal time. Early departures are discouraged unless necessary. Students leaving school early must be checked out in the office by an authorized parent or guardian. Students should check-in at the office if they return before school is out.

Students will be granted an early dismissal for emergencies and for health appointments medical/dental appointments when they cannot be scheduled outside of school hours. Requests for early dismissal should be made to the child’s teacher or the office in written form. To pick up a student leaving early, the parents must sign the student out in the school office. Parents are encouraged to return their child to school when practical and significant instructional time remains in the day.

Written Excuse

Students who are absent for any reason will require a written, dated, and signed explanation from their parent/guardian. The document is to be presented to the child’s teacher no later than the third day following the students return to school after their absence. Absences not supported by a valid written excuse will be considered ‘Unexcused’. After five (5) personal notes written by the parent/guardian for excused absences, the school administration may request additional evidence to validate absences.

Excused Absences

As permitted under the state law and State Board of Education policies, students may be excused lawfully for the following reasons: illness, death in immediate family, religious holiday, instances in which attendance could be hazardous, a court order, and situations where parents in the military are being deployed or are on leave.

Other types of absences may be approved as 'Excused' based on the information provided by the parent concerning the nature of the absence. In these instances, parents should submit an absence request 1-week in advance of the planned absence with the reason for the absence.

Unexcused Absences

Any absence that is not excused is considered unexcused. This includes any absences where no written notice is received within three (3) days after the absence. Vacations and business trips will be considered unexcused unless written communication is provided to the administration in advance and the administration approves the absence as excused.

Penalties

TriQuest attendance policies are derived from the Georgia Compulsory Attendance Code 20-2-690.1. At the beginning of each school year or at enrollment, TriQuest will furnish to the parent, guardian or other person who has control or charge of the student, with the Georgia Compulsory Attendance Law and a written summary of the possible consequences and penalties for non-compliance. The summary will include information about the possible consequences of truancy. Parents (and children who are at least 10 years old) will be asked to sign a statement saying that they have received this information.

TriQuest will notify parents after their child has five unexcused absences in the same academic year. After two reasonable attempts, (including but not limited to: phone calls to the parent or guardian, letters to the parent or guardian, either through US mail or sent home with the child or both, home visits, etc.) to notify the parent, guardian or other person who has charge or control of the student, TriQuest will send written notice via certified mail with the return receipt requested.

If the child has another unexcused absence after the notice is sent, the parents could face criminal charges for violating the compulsory education laws. The penalties for each offense include fines (\$25 to \$100), up to 30 days in jail, and/or community service. Every unexcused absence following the notice is considered a separate offense. (Ga. Code 20-2-690.1(c).)

Extended Illness

Please notify the school if your child will be out for an extended period. Parents may request work from teachers for homebound students.

Make-up Work

Students with excused or unexcused absences will be given time to complete missed assignments equivalent to the number of school days missed. Classroom teachers will exercise discretion if additional days are needed to turn in missed work.

Child Custody

In the case of an access dispute, the protection and best interest of the child(ren) will be our priority. Access disputes between family members may be complicated by the fact that legal custody has not yet been determined by a court or formal agreement such as a consent order. The following guidelines will be applied when deciding when to release the child:

- If you have any custody and access arrangements by way of consent or court order, we require a copy for your child's records and will comply with the court's order.
- If the child's mother or father listed on the registration form comes to pick the child up, we will release the child to that parent if he/she can produce a valid picture I.D. if we haven't been introduced to him/her. **We will only release the child to individuals that are listed on the authorized pick-up list on your child's registration form.**
- If you have sole custody and can provide a document that clearly states that the non-custodial parent should not have access to the child, we will not release the child to that parent.
- Should a non-custodial parent come to pick up the child, we will ask for a document signed by you, and you **MUST** call to speak to an administrator first, stating that the other parent has the right to pick up the child. If this does not occur, we will contact the sole-custodial parent and the police will be contacted if deemed necessary.
- In these circumstances, it is very important that the parent/guardians have regular communication with your child's teacher and the appropriate administrator. Any changes to the custody arrangement must be documented in the child's file.

Change of Information

Please promptly inform the school office of any relevant changes pertaining to your child, including address, phone numbers, custodial rights, etc.

OPERATIONS

Hours

Office Hours

School personnel are in the building by 7:00 AM each school day. The school office closes 45 minutes after the scheduled dismissal time.

School Hours

The building opens at 7:15 a.m. each morning for students. Students are not permitted to enter the building before 7:15. Arriving students should proceed to their assigned classroom. Classes begin at 7:40 a.m. Students arriving after 7:40 are considered tardy.

Students are dismissed at 2:30 p.m. on regular school days. On early release days, dismissal is at 12:00 unless otherwise specified. Students who have not been picked up within 20 minutes of dismissal will be sent to the After School Program.

Carpool

Students can be dropped off in the carpool line between 7:15 and 8:00. If you arrive after 8:00 AM, you will need to park in a designated parking spot and check your child in at the office. Students can be picked up from the carpool line between 2:30 and 2:45. A map showing the location of the carpool line is in [Appendix C](#). For safety reasons, persons entering the carpool line are asked to:

- Ensure children exit the vehicle on the driver side next to the curb
- Remain in a single line
- Maintain speed at 10mph or less in the parking lot

Chapel

Faculty and students attend chapel every Wednesday from 7:50-8:20 a.m. Students who are interested may be asked to help with chapel service from time to time. If space allows, parents may request to attend chapel service.

Communication

TriQuest communications are electronic. Gradelink, email, newsletters, and the school website are used to share information about classes, school events, school closings, etc. Text messages and email will be used to communicate school closings or emergencies through Parent Alert. **It is vitally important that parents keep their contact information current and correct. Parents can verify contact information by logging in to Gradelink.**

Parents are asked to use email to contact teachers with questions or requests. A full listing of staff emails is available through Gradelink. Login instructions for Gradelink are in [Appendix B](#).

Conduct

Conduct policies are derived from the TriQuest statement of faith as well as policies determined by the administration. TriQuest encourages participants to develop a lifestyle that honors Jesus Christ. Students are expected to:

- Follow school and class rules
- Respect persons and property
- Refrain from reckless and unsafe conduct
- Refrain from using profanity
- Refrain from cheating or lying
- Have no offensive material
- Have no illegal items in their possession

Attitudes, actions, and behaviors deemed by the administration to be disruptive in nature to the academic and/or spiritual environment of the school will not be tolerated and will be disciplined, up to and including termination of enrollment, at the discretion of the administration. A student may also be denied re-enrollment if he/she is disruptive to the instructional program and/or has repeated or serious violations of school policies as determined in the sole discretion of the administration. Re-admission considerations following dismissal will be determined on a case-by-case basis.

Prohibited activities include:

- Deception, cheating, and stealing
- Property vandalism or littering—parents will be responsible for damages students cause to equipment, buildings, furniture, grounds, or fixtures
- Inappropriate language to include cursing, using the Lord's name in vain, and vulgar expressions
- Substance abuse of alcohol, illegal drugs, misuse of legal drugs, cigarettes, and vaping
- Sexual activity and expression
- Disrespect toward authority
- Intimidation/harassment/bullying
- Unauthorized online/electronic communication with staff members/teachers such as initiating or responding to social media messages or invitations, text messages, chat rooms, discussion sites, instant messages, or other digital or electronic communications other than through school-authorized communication methods.

Resolution

TriQuest fully supports parents in developing Christian character in their students. When a challenge arises that requires some form of discipline, the TriQuest staff will endeavor to:

1. Pray for wisdom
2. Gather details and assess the situation
3. Meet with the person(s) involved
4. Discuss positive and negative behaviors and choices
5. Review Bible teachings that pertain to the conduct
6. Lead participants to confess and forgive as appropriate
7. Administer appropriate consequences
8. Document the incident and inform parents of action taken

Based on the severity of the offense, the administration response may include:

- Warnings against future infractions
- Assigning a writing task related to the incident
- Revoking privileges to teach consequences
- Assigning the student to a work detail (e.g., vandalism- student will clean up vandalism)
- Setting up a conference with the parent(s)
- Assigning detention (no lost class time)
- Assigning In-School or Out-of-School Suspension (lost class time)
- Considering previous infractions to determine the severity of the consequence
- Taking other actions appropriate for the situation
- Terminating the student's enrollment

Dress Code

While the Bible does not prescribe specific types of clothing and appearance, it does provide principles upon which TriQuest has developed its dress and appearance code and these standards are in keeping with the school's statement of faith. Each student is expected to dress in a manner that is neat, clean, and modest. In accordance with the TriQuest beliefs and statement of faith, students are required to dress in accordance with their biological genders. In general, clothing should be free of tears and holes. Pants must be worn around the waist and not drag the floor. Hair is to be clean, neat, and out of the eyes. When attending after-hours TriQuest activities, students should maintain dress that is neat, clean, and modest.

Consequences for Dress Code Violations

For the first dress code violation, students will be given a warning and the parent or guardian notified. At the second occurrence, the student will be sent to the office until the parents can bring the appropriate clothing. Students will face more severe consequences for additional violations.

Lunch

TriQuest will not provide lunch. We ask parent prepare lunch for their child. Parents should be aware that lunches brought from home will not be refrigerated. TriQuest does have a microwave for students to warm up their lunch.

Only immediate family members over the age of 18 or minors accompanied by a parent or guardian may visit their students during the lunch period unless otherwise approved by the administration.

Pickup and Dropoff

Upon enrollment, families will be given pick-up tags on bright yellow cardstock. The tag will include the child's name and grade and must be stamped by a staff member. For pickup, this tag must be displayed prominently on the driver side of the dashboard. Staff members who are working in the car line will use this tag to bring the correct student to the car. Persons who do not have a tag must park in the area reserved for guest parking and check out their child from the office.

Please drive carefully and slowly on school property. Exercise caution when approaching and departing loading areas and walkways. Remember that young children are extremely difficult to see from a car. The speed limit in the parking lot is 10 mph. A driving pattern diagram is in Appendix B. TriQuest does not have school bus services.

Students who are not picked up by 3:00 will be required to go to ASP and parents will be billed accordingly.

After School Program (ASP)

ASP is offered during regular and early-release school days, unless otherwise specified. ASP hours are from 2:30 until 5:00 p.m. on regular school days, and 12:30 to 2:00 on early-release days. ASP is billed at \$10 per hour per day. Parents can also choose to pay \$300 per month for 2 ½ hours of ASP daily, or \$150 per month for 1 ¼ hours of ASP each day.

Students attending ASP are to arrive within 15 minutes after school ends. Parents must come to the office to sign their students out.

All students must be picked up by the scheduled end time or additional charges of \$30 per hour, rounded to the nearest half hour, will be incurred. If TriQuest staff is not able to contact a parent or guardian within 30 minutes after the end of ASP, Cobb County police will be notified.

Lost articles that are not claimed within a few months are donated to charity. The school does not accept responsibility for articles placed in the Lost and Found. Parents are advised to write the student's name on backpacks, clothing, etc. for easy identification.

ACADEMICS

The TriQuest curriculum consists of two types of classes: core classes and extension classes. The core classes represent foundational skills that receive intense focus from the early years. These classes include Bible, reading, writing, and mathematics. Emphasis is on demonstrating mastery and quickly remediating deficit areas.

The extension classes represent learning that is targeted at investigating and applying understanding to produce conclusions, responses, and artifacts. Overall, the instruction at TriQuest blends robust academic experiences with biblical principles and understanding. We strive for students to have authentic encounters with God while being challenged to problem solve and innovate in fun and creative ways.

APPENDIX A: STATEMENT OF FAITH

7.02—Statement of Faith

A. Beliefs on Doctrine. We believe in:

1. We affirm and believe in the plenary, verbal inspiration of God in the original languages of the Bible (both the Old and New Testaments); and is the only authority of Christian faith and practice. (II Timothy 3:16-17; Psalm 100:5, 160; John 17:17, II Peter 1:21)
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit. (Matthew 28:19; Genesis 1:1; John 10:30, 37-38)
3. We believe in the Genesis account of the creation of man by the direct act of God. (Genesis 1:1; Genesis 1 and 2)
4. We believe in the incarnation and virgin birth of our Lord and Savior, Jesus Christ; His sinless life, His miracles, His deity and identification as the Son of God; His vicarious atonement for the sins of mankind by the shedding of His blood on the cross; the resurrection of His body from the tomb; in His ascension to the right hand of the Father, and in His personal return in power and glory; and His power to save men from sin; (Matthew 1:21-23; Isaiah 7:14, Matthew 1:18-23, Luke 1:35, John 2:11, 11:25; Acts 1:11, II Corinthians 5:21, Ephesians 1:7, Philippians 2:5-10, Colossians 1:14, Hebrews 4:15, 7:25, 9:12; I Peter 2:22, Revelation 19:11-16)
5. We believe that mankind is sinful by nature and that regeneration by the Holy Spirit is essential and an absolute necessity for his salvation. Sinful mankind is wholly saved by grace through faith in Jesus Christ. (Ephesians 2:8-10; John 3:16-19, 5:24; Acts. 20:21, Romans 3:19, 23; Ephesians 2:8-10; Titus 3:5, 6)
6. We believe in the continuing ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life. (Galatians 5:16; I Corinthians 3:16, 6:19-20; Ephesians 4:30, 5:18)
7. We believe in the resurrection of both the saved and the lost—those who are saved unto eternal life and they who are lost unto eternal damnation. (John 5: 28-29; I Corinthians 15:42-58, John 5:28, 29, Rev. 20:11-15)
